FUTURE OF TRANSPORTATION

Staying in the know just got easier.

Register now for the free AARP Smart DriverTEK® virtual workshop.

Technology is changing the way we drive. Now, you can explore how new auto safety features make driving safer and easier with the AARP Smart DriverTEK interactive virtual workshop. This free, 90-minute workshop will cover the latest high-tech safety features on the market, so you can learn all about important auto advances like:

- Forward collision warnings
- Autonomous vehicles
- Blind-spot warning systems
- Smart headlights
- And so much more!

Plus, **the workshop takes place online via Zoom**, so you can virtually join peers and learn from the comfort of home!

UPCOMING FREE TECHNOLOGY WORKSHOP:

West Milford Community Services & Recreation - Seniors

Monday Jun 7, 2021. 2:00 PM - 3:30 PM

Space is limited. Register now:
