Re: Township of West Milford: Highlands Element / Draft Master Plan Supplement

Dear Ms. Swan:

In accordance with the requirements for Module 5, enclosed please find a CD containing a Draft Highlands Element for the Township of West Milford, Passaic County. The West Milford Planning Board conducted its first of several public meetings on this matter on August 27, 2009. Copies of the Planning Board agenda and the public notice published in the newspaper of record are also attached. Minutes of the August 27th meeting are in the process of being transcribed and will be provided to your office in the near future.

West Milford looks forward to working with you and your staff in refining this important component of the Township's Master Plan as the Highlands Plan Conformance process moves forward.

Sincerely,

Chuck McGroarty, PP, AICP
