The Red Flag System

All organizations that sign this agreement are stating that they agree to follow the red flag system set in place by West Milford Township's Community Services and Recreation Department and the West Milford Board of Education. No group will be permitted to use the field if this field permit is not signed.

The CS&R department will make the determination as to when fields are closed due to inclement weather conditions. The information will be posted on a hotline number. **In the event of thunder and lightning the field is automatically closed, and will not be reopened until thirty minutes from the last flash of lightning or rumble of thunder.**

Fields that are closed for maintenance will have a "red flag" on them. Organizational leaders will receive an e-mail informing them of such closures. It is the responsibility of the organizations to notify all coaches of the closings.

Removal of signs, red flags, and/or ignoring the closure of the field will result in a coach's suspension from their organization. The organization will be required to identify the coach that they suspend to the township. Multiple violations of this policy will require a meeting between the Township, organization, and coach for further review and possible fees for damages. The organization will assist in the repairs or cost incurred by the township from the coach's misconduct.
